Dear Jack, Barb and Dreams  
and Wing's Pilots and Staff,

On behalf of *The University of Michigan Comprehensive Cancer Center's Grief and Loss Program* and *Patient and Family Support Services*, we would like to thank you for your continued support of the Cancer Center *Dreams and Wings* event. This year's event went smoothly thanks to all of you and your kind hearts. Your generosity to this program and to the Cancer Center does not go unnoticed. The Cancer Center is always proud to partner with you to provide this special event. Year after year, families routinely express their gratitude for such meaningful caring attention. One attendee this year, a former pilot, a cancer survivor himself and a bereaved spouse, thanked us for the opportunity to remember his wife in this unique way.

It has been a joy to work with you all and we are thankful for your friendship in this endeavor. We can't thank you enough for all you do and look forward to next year.

Sincerely,

*Donna*
